

**WPLE**

## The versatile right angle planetary gearbox with lower weight and appealing cost effectiveness

The **WPLE** is a consistent continuation of the benefits offered by the Economy Line. With its compact, but powerful design, it is ideal for dynamic multiple axis systems. Our right angle gearbox features lifetime lubrication, is easy to install, all this at an unrivalled price-performance ratio.

### 1 The highest dynamics in multiple axis systems

The **WPLE** right angle gearbox delivers more than just above average performance: With 25% less weight, it outputs a particularly high torque.

### 2 Efficient and effective

As a genuine multi-talent of right angle planetary gearboxes, the **WPLE** is the specialist among the generalists – and that at an unbeatable price-performance ratio.

### 3 Flexible installation options and reliability

Fitted with lifetime lubrication, our **WPLE** right angle planetary gearbox lets you exploit restricted space to the optimal extent. It can be installed in any direction, making it the ideal choice for many applications.

WPLE

- + Individual adaptation of the input flange to the motor
- + Lifetime lubrication for maintenance-free operation
- + Equidirectional rotation
- + Wide range of output shaft designs
- + Precise gearing
- + Wide range of ratios  $i = 3$  to  $i = 512$
